

## Getting Started at Rockwall Black Belt Academy

We want your experience visiting and starting you and your student's training at Rockwall Black Belt Academy to be as seamless as possible. We've put together a helpful checklist you can use to ensure everything goes smoothly.

First, contact us to learn about our current sign-up specials. We are always running promotions to help get you started at the RBBA before making a larger commitment.

Next, let us know when you want your student to take a free trial class. We will work with you to find a class that suits your schedule, and one in which Mr. Powell can evaluate your child and speak with you after the class to offer you feedback and answer any questions you may have.

Once you've taken a free trial class (or perhaps a couple of trial classes), you can speak with Christy Lippincott at the school to get your student registered and signed up. She will also help you with a uniform purchase, and provide you a printed schedule of the classes your student can attend.

You may also want to bookmark our [online schedule](http://rockwallbba.com/wp-content/themes/rbba/static/schedule.html) (<http://rockwallbba.com/wp-content/themes/rbba/static/schedule.html>), which is updated weekly with any special school-wide events, such as Parents' Night Out or special seminars. You should also read over the [Frequently Asked Questions](http://rockwallbba.com/frequent-questions/) section of our website (<http://rockwallbba.com/frequent-questions/>). These common questions will help give you an idea of how the RBBA runs, and what you can expect from us and your student's training.
